Summer time is around the corner... and that means vacation time!!!

IS YOUR VEHICLE READY FOR IT?

Here are a few things for you to think about:

- 1) In today's market, there is a shortage of USED vehicles. If you think that it may be time to upgrade... NOW is the time to get the most out of your vehicle on trade.
- 2) You may be eligible for extra rebates from Ford. Please email me at jjbeener@hotmail.com for permission to check on these rebates. Please include your full name and address.
- 3) In the mean time... here are some coupons to help save you money.

See You Soon!
