

**A Ford is a Ford... Is a Ford... Is a Ford...
But Not All Ford Dealers Are The Same!**

**Take A Closer Look At
DAVIES FORD CHARLEROI**

...The Valley's Favorite Ford Dealer!

WE ARE YOUR NEIGHBORS!

We're hard working people from the Valley that want to earn an honest living by offering and locally servicing you with one of the finest American made products on the planet! For over 40 years, the Davies family has been an integral part of our automotive community. Sure, the automotive business has changed, but we are still here with the same dedication to offering you reliable vehicles at the very best price.

WE'RE MORE THAN JUST A SMALL TOWN DEALERSHIP!

Thanks to thousands of people just like you, we've had the opportunity to weather many changes and were fortunate and successful enough to grow over time. As a result of our relationship and the confidence that you have had in our products, we now have the clout and buying power of 2 great locations. Our inventory doesn't just stop at the 5 blocks of vehicles that we have in Charleroi... We can offer you the entire inventory of another dealership that's just a phone call away!

WE UTILIZE THE CUTTING EDGE OF TECHNOLOGY!

Not only do we have the latest and most up-to-date equipment in our service department and the most experienced, certified technicians in the area, but we understand how computers have completely changed the whole shopping and buying experience. The internet has given us the opportunity to be open 24 hours a day - 7 days a week. You no longer have to buy a Sunday paper... Travel miles and miles visiting dealer lots... You can now shop our entire inventory right in the comfort of your own home! (See Other Side)

BEFORE YOU BUY... VISIT www.DAVIESFORD.com

The Davies Ford website will not only give you the opportunity to research every aspect of selecting your new Ford car or truck, but it will also show you at least 5 color photos - a list of equipment - plus the mileage and price of every used vehicle we have in stock! Sure, you'll still have to drive it, let us take a look at your trade, and give us the opportunity to tell you about any special sales that we have going on... But it will certainly make your shopping experience a whole lot easier! Why not fire up your PC right now and see for yourself! (Other Side)
