

DAVIES FORD USED CAR PHOTO PAGE

When making changes, look at the most recent ad on the internet under the appropriate newspaper ad button. Mark an "X" in the lower left corner of the position where you want a vehicle to be removed - and provide the information for the replacement. Make certain before submitting that a photo is posted on the internet for the new vehicle. If you wish to have a price changed of a current vehicle listed in the ad - do not put an X - just the new price and stock # to reference in my files. Thank You.
