**Your Friend In
The Car Business!**

First off, I want to thank you for your past business. The fact that you trusted me in the past to help you with your transportation needs means a great deal to me.

I also wanted to drop you a note to let you know that I am now working at Davies Ford in Connellsville. Some of the reasons I chose Davies are some of the same reasons that customers do. That is, great products, professional service and integrity based philosophies towards their customers as well as their employees.

I would love to roll out my personal red carpet for you the next time you are in the market to upgrade your transportation needs.

I hope to hear from you soon!
